Aims and Objectives

The project aims to:

- Disseminate the Restructuring concept clarifying that a change does not mean a worsening of a situation, but a challenge that could be exploited either by the employers or by workers as demonstrated in the different socio-economic researches.
- Promote a strategic vision, taken into consideration either the short-term actions and the long-term priorities
- Ideate an instrument able to manage, monitor and follow-up restructuring and reconversion processes.
- Contribute to the development of the European Labour Market and the achievement of the Lisbon targets.

Expected Results

- Dissemination of Corporate Social Responsibility (CSR), Change Management (CM), Corporate Governance (CG) culture.
- Implementation of social dialogue methodologies for an entrepreneurial and territorial Change Management.
- Working Conditions, Adaptation to Change
- Creation of a permanent network.

Work packages.

The project is divided into 3 phases:

1. Project management performing
2. Researches and Benchmarking activities.
3. Dissemination and Valorisation.
